CDP Web Application Process

CDP Website

(Step 1) - Employee

AFPC Secure website Database

(Step 2) - Squadron Commander

(Step 3) - Policy Council Rep.

CDP Database

(Step 4) - Senior CE Rep.

(Step 5) - Career Plans

AFPC

AFPC Oracle Database

(Step 5) - Career Briefs

FDM

Group Systems Database

(Step 6) – Force Development Team

AFPC

(Step 7) – Feedback Forms

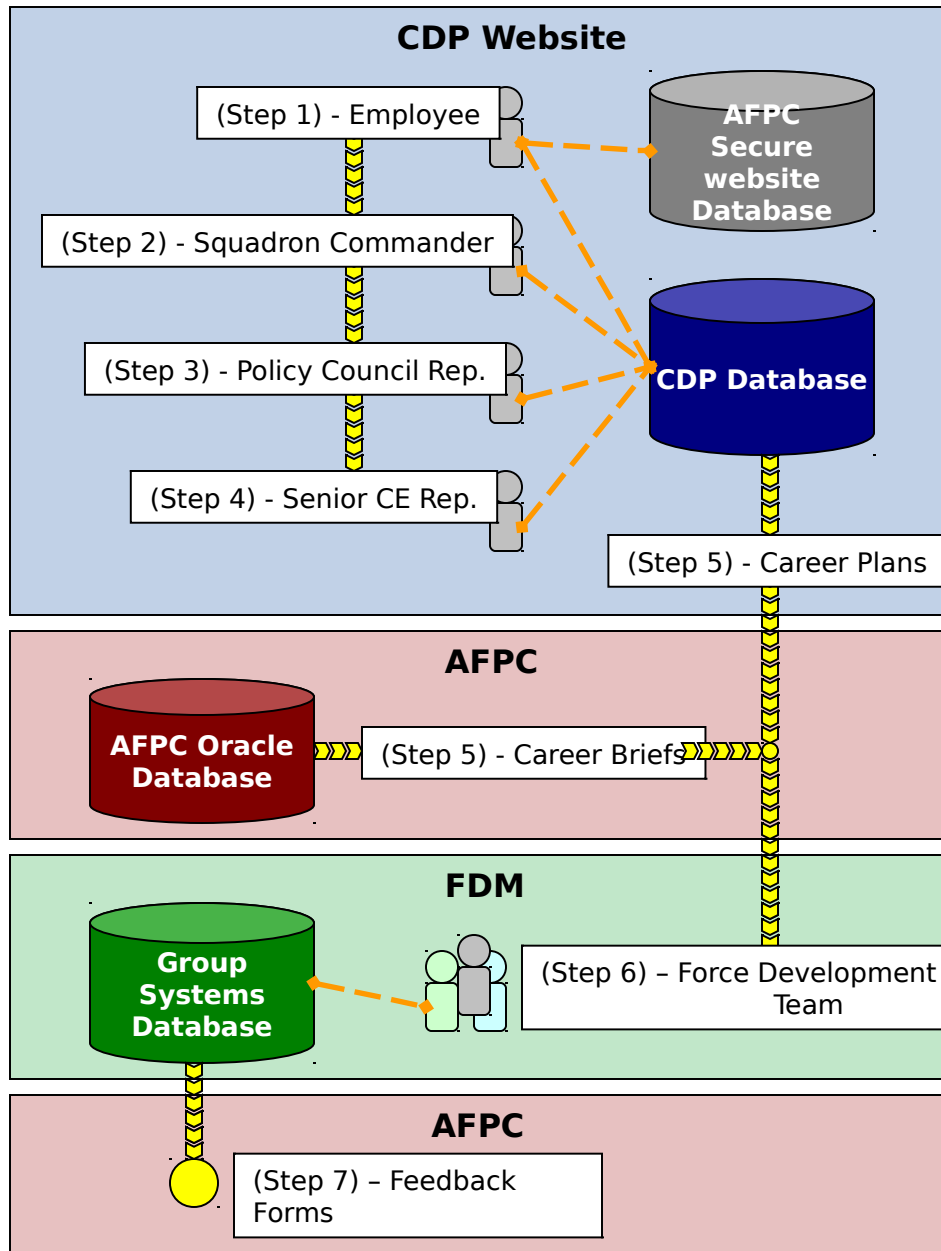

(Step 1) - A Employee will create a Career Plan (CP) on the   Career Development Planner (CDP) website. The Employee will also upload their Career Brief (obtain from the AFPC Secure website) to the CDP website.

(Step 2) - The Employee's Squadron Commander (Assuming that the employee has a Squadron Commander) will enter his/her comments to the employee's Career Plan and "uploaded" career brief.

(Step 3) - The Employee's Policy Council Rep. will enter his/her comments to the employee's Career Plan and "uploaded" career brief.

(Step 4) - The Employee's Senior CE Rep. will enter his/her comments to the employee's Career Plan and "uploaded" career brief.

(Step 5) - AFPC will extract all Career Plans from the CDP website and extract Career Briefs (obtain from the AFPC Oracle Database) for all of the Career Plans. This data is then provided to the Force Development Team.

(Step 6) - The Force Development Team will review all Career Plans and Career Briefs to provide feedback to the employee. The Group Systems voting program is used during this meeting.

(Step 7) - After the Force Development Meeting all of the feedback is extract from the Group System Database and is used to create feedback forms.
